MyEnvyBox.com, an Indo-French company, is India's leading subscription based luxury beauty discovery service. My Envy Box is a great way for women to constantly discover the latest beauty brands and product launches.

Subscription provides customers with a monthly beauty box consisting of 5 product samples from luxury and prestige brands, special offers and great deals on full size product purchases onmyenvybox.com

The company launched services in October 2013 and has fast become the leading luxury beauty online destination in India. The company sources all products directly from the brands in order to ensure the authenticity of all products.
