School Finder is an online platform where students and parents can search for the ideal school for their kids. Operational in across 13 cities, School Finder aims to bridge the gap between parents and the school authorities by bringing all the relevant information about the respective schools. From admission details to the facilities provided by the school, School Finder is one stop solution to all the information one needs. One can look for schools across various education boards in India i.e. CBSE, ICSE, IB, IGCSE, State Boards and all the latest news in the education domain on the home page as well as Top Schools in the respective cities.

The website also consists of a Guests column wherein various educationist from around the country have penned down their opinions and given insights about the education system currently prevailing in India.
